March 2026

## CHRIST THE KING LUTHERAN HIGH SCHOOL

### Minute in the Word

March places us in the heart of Lent—a season that calls us to slow down, repent, and fix our eyes on Christ. As we wait for the joy of Easter, we remember that Jesus willingly walked the road to the cross for us, bearing our sin and offering forgiveness and new life. This Lenten journey reminds us that hope is found not in ourselves, but in our Savior, whose sacrifice brings healing and grace. May our hearts remain centered on Christ as we grow in faith, humility, and joyful trust in Him.

### CTKLHS Latest News and Updates

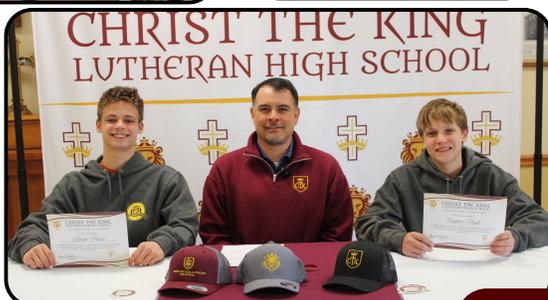

On Tuesday, February 24<sup>th</sup>, we celebrated a significant milestone with our inaugural signing day for the first two students enrolling at CTKLHS. Jacob Preus (2029) and Cooper Krull (2030) officially committed by signing their enrollment applications. We eagerly anticipate the day when this number will double. Please remember to keep our founding class in your prayers, along with other students who are contemplating their high school choices for the upcoming year.

## Tuition Assistance

Do you know a family who wants to attend CTK, but cost is holding them back?

We recognize that education can often be out of reach for many families, and we acknowledge this important concern. At Christ the King Lutheran High School, our mission is to ensure that a Christ-centered education rooted in the Lutheran tradition is **\*\*accessible\*\*** to all families. No student or family with a genuine desire for this education will be turned away due to financial difficulties. God has richly blessed CTK with generous contributions from individuals who appreciate the significance and necessity of a Lutheran High School education within the Washington Circuit. If you have concerns about tuition costs, we encourage you to contact Principal Eckman. We are excited to discuss options with you and will collaborate with your family to find a suitable solution.

## Assemble Bookshelves

Are you able to read directions and enjoy helping Christ the King? CTK has received classroom materials and books. Currently it is stacked in the garage and need to organize it. We have two bookshelves that need assembled before we can find these books a permanent home. Contact Principal Eckman if you have some free time and are able to pop in to assemble these items.
